The team behind Alo Restaurant presents Salon, a 40 seat room for private dining in Yorkville. Salon, like Alo, is a space for fine dining that pairs the best seasonal ingredients with classic French technique. Our principal offering is a tasting menu experience complemented by a genuine sense of welcome. We also host boutique events such as winemaker dinners, cocktail and canapé receptions, brand activations, and corporate meetings and lunches.

An evening at Salon might begin with a cocktail reception that features passed canapés, signature cocktails and Champagne. A multi-course meal would then follow with accompanying wine pairings.
